Conference Agenda - April 2

- 7:30 am - 8:30 am **Registration & Coffee** (Blackfoot Ballroom A)
- 8:30 am - 8:45 am **Opening Remarks and Presentation:**
Blackfoot
Ballroom A **Sustainable Solutions - Petrochemicals at its Best**
Ronald Bettin, Advisory Board Chair and President & Principal Consultant - **Adduco**
- 9:00 am - 9:50 am **Session 1: The Transition to Net Zero – A Petrochemical Perspective**
Blackfoot
Ballroom A **Don Cameron**, Site Director Alberta Operations & Vice-President - **Dow Canada**
Gobind Khiani, President - **GAPV Inc.**
Hon. Tim McMillan, Partner - **Garrison Strategy**
Greg Moffatt, Executive Vice President - **Chemistry Industry Association of Canada**
Vanessa Goodman, Manager, Health, Safety, Environment & Communications -
North West Redwater Partnership
- 10:00 am - 10:30 am **Presentation 2: Start Up Challenges to World Class Run Lengths:**
Blackfoot
Ballroom A **Lessons Learned at the Sturgeon Refinery**
Zreh Raghina, Operations Superintendent, Utilities & Sulphur - **North West Redwater Partnership**
Jason Kelly, Operations Superintendent - Gasification - **North West Redwater Partnership**
- 10:30 am - 10:50 am **Networking Break (Exhibition Hall - Blackfoot Ballroom B & C)**
- 10:50 am - 11:15 am **Presentation 3: Addressing Commissioning Hot Spots**
Blackfoot
Ballroom A **Heinz Inabnit**, Chief Development Officer - Director - **Sancon Commissioning**
- 11:00 am - 11:30 am **TECHTalk: Using Predictive Analytics, Machine Learning and AI, to prevent**
Blackfoot
Ballroom B & C **downtime of your critical equipment**
Oscar Cruz, Chief Technology Officer - **Bow River Solutions**
- 11:15 am - 12:15 pm **Session 2: Operational Excellence in Petrochemicals Leveraging Digital Solutions**
Blackfoot
Ballroom A **Rob Gray**, VP Global Sales - **BlueMarvel AI**
Anahita Khanlari, Solution Marketing Director - **AspenTech**
Genevieve Bloss, Customer Success Manager - **MachineMax**
Roger Milley, Founder & Sr. Consultant - **Fuzeium Data Analytics**
Gobind Khiani, President - **GAPV Inc.**

Conference Agenda - April 2 continued

- 12:15 pm - 1:45 pm
*Blackfoot
Ballroom A*
Keynote Luncheon
Hon. Danielle Smith, Premier - **Government of Alberta**
Introduction by **Ronald Bettin**, Advisory Board Chair and President/Principal - **Adduco**
Opening Remarks by **Rina Sibbeston**, General Manager - **Roska DBO**
- 1:30 pm - 2:00 pm
*Blackfoot
Ballroom B & C*
TECHTalk: Challenges with Waste Manifesting and Upcoming ESG Data Requirements
Amit Bhargava, CEO - **EnviroApps**
- 2:00 pm - 2:50 pm
*Blackfoot
Ballroom A*
Session 3: Practical Application of Technology, Automation and Artificial Intelligence in a Petrochemical Facility
Bruce Taylor, Principal and Owner - **FurtherTec**
Ahmed Musa, Digital Manufacturing Lead - **NOVA Chemicals**
Oscar Cruz, Chief Technology Officer - **Bow River Solutions**
Terry Chmelyk, VP Systems, Software & Solutions - **Spartan Controls Ltd.**
Allison Buenemann, Product Marketing Manager - **Imubit**
- 2:50 pm - 3:05 pm
*Blackfoot
Ballroom A*
Presentation 3: Eliminate Voluntary Vented Gas Volumes
Rusty Hurl, Canadian Account Manager - **Weldfit Corporation**
- 3:10 pm - 3:30 pm
Networking Break (Exhibition Hall - Blackfoot Ballroom B & C)
- 3:30 pm - 4:20 pm
*Blackfoot
Ballroom A*
Session 4: Panel - Embracing Innovation from Design through to Operation of Petrochemical Facilities
Paul Walsh, VP, Strategic Growth & Development, Construction West - **Cahill Group**
Crystal Lui, Associate Partner, Mining & Energy - **IBM**
Gobind Khiani, President - **GAPV Inc.**
Stephen Cathrea, Director Turnarounds North America - **CAM Industrial Solutions**
Paul Kristensen, Manager, Maintenance - Redwater Fractionation and Storage Facility - **Pembina Pipeline Corporation**
- 4:30 pm - 6:30 pm
Networking Reception (Exhibition Hall - Blackfoot Ballroom B & C)

Sponsored by: **HATCH**

Conference Agenda - April 3

- 7:30 am – 8:30 am **Registration & Coffee (Blackfoot Ballroom A)**
- 8:30 am – 8:50 am **Presentation 4: Asset Performance Management (APM)**
Blackfoot Ballroom A **Marc Laplante**, Asset Management Principal – **ITUS Digital**
- 9:00 am – 9:50 am **Session 5: Panel - The Future of Maintenance Management**
Blackfoot Ballroom A **Susan Lubell**, Principal Consultant – **Steppe Consulting**
 Marc Laplante, Asset Management Principal – **ITUS Digital**
 Brent Seewalt, Director of Maintenance – **Inter Pipeline**
 Alan Cox, Maintenance System Specialist – Downstream – **Cenovus Energy**
 Glen McMurray, Maintenance Coordinator – **Nutrien**
- 10:00 am – 11:00 am **Session 6: Older Facilities that Still Have Life**
Blackfoot Ballroom A **Bruce Taylor**, Principal and Owner – **FurtherTec**
 Chris Klein, CEO & Principal Consultant – **Klein Project & Maintenance Services**
 Steven Jacquin, XHQ Pre-Sales Consultant and Solution Architect – **Siemens Product Lifecycle Management Software Inc.**
 David Vlajic, Manager, Maintenance Excellence – **NOVA Chemicals**
 Cory Roberts, Business Development Manager – **Pembina Gas Infrastructure**
 Brad Walker, Operations Coordinator – **Nutrien**
- 11:00 am – 11:20 am **Networking Break (Exhibition Hall - Blackfoot Ballroom B & C)**
- 11:20 am – 12:10 pm **Session 7: Future Focused Turnarounds in a Competitive Landscape**
Blackfoot Ballroom A **Kyle Petsuk**, Manager, Valve & Measurement Reliability – **Spartan Controls Ltd.**
 Peter Reier, Senior Advisor – **Advando**
 Frank Engli, Regional Group Lead, Canada, Reliability, Maintenance, Turnarounds and Capital Projects – **Becht Canada**
 Paul Kristensen, Manager, Maintenance – Redwater Fractionation and Storage Facility – **Pembina Pipeline Corporation**
 Eric Michaud, Sr Manager, Nutrien Turnaround Programs – **Agrium Canada Partnership**
- 12:15 pm – 1:45 pm **Keynote Luncheon - Last Great Race - The Iditarod - Celebrating the Past in a Changing North**
Blackfoot Ballroom A **Aaron Peck**, Iditarod Musher Elevation Sled Dog Adventures
 Introduction by **Rina Sibbeston**, General Manager – **Roska DBO**

Floor Plan

Silver Sponsor

Booth 34

Roska DBO Inc.

12819 99 Street, Grande Prairie, AB
roskadbo.com

Roska DBO is Operations People with Process Equipment technically backed and ready to go. *Operations People:* Leverage your existing staff with qualified Roska Operations Personnel who will show up and reduce the time it takes to complete your shutdown. *Temporary Piping Solutions:* 6400 spools built to ASME 31.3 in stock. Guaranteed to meet the most stringent QC requirements; including traceable documentation and an active asset integrity program. Temporary pipe is real at Roska. *Process Equipment:* Largest inventory of Process Equipment for rent in Canada. All backed by our in-house Engineering.

Booth 32

Anton Paar Canada

4920 Olivia Pl, Saint-Laurent, QC
anton-paar.com

From fuels and lubricants to asphalt, bitumen, plastics, and polymers – petroleum products are essential throughout the world. Anton Paar has been offering outstanding analytical solutions to companies in this industry for decades. We have a wide range of instruments to support you in increasing your efficiency and lowering waste across all upstream, midstream, and downstream activities.

Booth 33

Bow River Solutions

Tower 1, Suite 1800, 330-5th Avenue SW, Calgary, AB
bowriversolutions.com

Bow River Solutions, headquartered in Calgary, Alberta, specializes in Business Intelligence, converting data into actionable insights. With 18+ years' expertise, we collaborate with top vendors for advanced analytics. Our track record spans diverse sectors across Canada and the USA, establishing as a trusted leader. Let Bow River Solutions bring your data to life.

Booth 33

Calgary Women in Energy

PO Box 22465, Calgary, Alberta T2P 5G7 Canada
calgarywomeninenergy.com

CWIE is an inclusive, non-profit organization dedicated to promoting, supporting, and empowering women in Calgary's energy sector. Members are directly engaged in all areas of the energy industry. And comprises of a dynamic collection of professional women with integrity and shared professional and personal aspirations. We welcome all viewpoints and opinions as we know different perspectives are key to any successful organization.

Booth 16

Headwind Solutions

4331 41 Street, Camrose, Alberta T4V 3V8 Canada
headwindsolutions.ca

ShockerEDGE uses a digital gas sensor in the engines air flow to detect any airborne hydrocarbons before they enter the combustion chamber. Once our system has detected an unsafe hydrocarbon level, it turns the engine off. The system reads all flammable gases. Your engine becomes a continuous gas monitor.

Hy-Lok Distribution Inc.

2407 - 96 Street, Edmonton, AB T6N 0A7
hy-lok.com

Booth 3

Hy-Lok Canada is Your Leading Source For Durable, Reliable, Tube and Pipe Fittings. When it comes to a leak-free seal you can trust, Hy-Lok's line of fittings and connections are second to none. A perfect option for instrumentation, hydraulics, fluid delivery systems, and many related industries, Hy-Lok Canada's fittings are tailored to exact requirements of your specific application. With a vast inventory of JIC flare fittings, weld fittings, calibration, high pressure, cone and thread fittings readily available, finding the parts you need is easy

Hytorc Sales and Services

45 Corriveau Avenue, St. Albert, AB
hytorc.com

Booth 22

Our mission is to make our customers' jobs as safe and hassle-free as possible. Our latest product line features patented industry-firsts like hands-free operation to keep tool operators at a safe distance from the application, onboard documentation systems to provide job accountability and assurance, and industry-leading bolt load accuracy to reduce nut loosening and joint failure.

MiraCAD Technologies Inc.

101-1289 Highfield Crescent SE, Calgary, AB
miracad.com

Booth 15

MiraCAD Technologies Inc. is a vertically integrated Industrial Digitalization company that excels in the application of Cutting-Edge Technology to develop Industrial 3D Visualization and Digital Twins. We team up with our clients to supply custom-tailored solutions that meet their individual needs and realize new engineering & operating efficiencies.

NGC Product Solutions Ltd.

3160 118 Avenue SE, Calgary, AB
ngc-ps.com

Booth 44

NGC provides solutions for challenging / demanding services across many industries including Oil & Gas, Chemical, Petrochemical, Pulp & Paper, Refining, Mining, Energy, etc. NGC is the stocking Master Distributor in Western Canada for various types of industrial valves, as well as Resistoflex Polymer Lined pipe, fittings, and valves.

Rapid3D Ltd.

Bay 5 1011-57 Avenue NE, Calgary, AB
rapid3d.ca

Booth 31

Rapid3D is the Western Canadian advanced 3D scanning solution provider, representing various suppliers such as Creaform, Oqton Geomagic, Surphaser, Polyworks, AESUB, and more. As an early adopter of 3D scanning technologies in Western Canada, Rapid3D has been at the forefront of developing many of the innovative 3D scanning applications and approaches that are specific to our unique industries in the Western Provinces. Our customers represent the full spectrum of Western Canadian manufacturing industries, as well as Oil & Gas, NDT, Agricultural Manufacturing, Mining, Aerospace, Aftermarket Automotive, and Arts & Culture and more.

Booth 46

Rotaflow Controls Inc.

6707 59 Street NW, Edmonton, AB
rotaflow.ca

Rotaflow's team of licensed professional engineers have the training and skills to deliver the best results for your project, on time and on budget. We understand the unique nature of a variety of industrial businesses, operational and regulatory requirements and processes, and the impact that fire and utility upsets can have on your triple bottom line. We are trusted by some of the world's largest energy companies: Suncor, Enbridge, Gibson Energy, Husky, Cenovus, and several more.

Booth 4

Samson Controls Inc.

1144 29 Avenue NE, Calgary, AB
canada.samsongroup.com

SAMSON, the unparalleled global leader in valve technology, specializing in regulating the flow of oils, gases, and chemicals. With a century-long legacy, we stand at the forefront of the petrochemical industry, pioneering decentralized valve intelligence for heightened flexibility and safety. Our diverse product portfolio, featuring advanced control valves, regulators, and cutting-edge digital solutions, makes a profound impact globally.

Sarnia Lambton Industrial Alliance

1086 Modeland Road, Building 1050, Suite 100, Sarnia, ON
sarnialambtonindustrialalliance.com

The Sarnia Lambton Industrial Alliance is a coalition of over 30 Sarnia-Lambton companies that specialize in all aspects of metal fabrication, engineering, environmental, and support services geared to manufacturing industries. Current clients of Industrial Alliance companies include Imperial Oil, Suncor, Shell, NOVA and many other internationally recognized major corporate names.

Booth 21

Booth 38

Taprogge America Corporation

Suite 2, 15 Michael Avenue, Farmingdale, New York
taprogge.com

Taprogge has been a clean-tech company for over 70 years, increase energy efficiency and helping reduce the carbon footprint in powerplants worldwide. In 1953, Taprogge invented the on-line Condenser Tube Cleaning System, known industry-wide as "The Taprogge System" which increases condenser efficiency, enabling power generation plants to produce up to 3% more power for the same fuel costs. Our Debris Filter systems enable power and industrial plant condensers and heat exchangers to function unimpeded by water-borne debris.

Booth 19

Waygate Technologies (A BakerHughes Company)

52 Seaview Ave, Winthrop, MA USA

Waygate Technologies is part of the Inspection portfolio within the Baker Hughes (NASDAQ: BKR) Industrial & Energy Technology business segment. As an industrial inspection solutions provider and world leader in nondestructive testing (NDT), we ensure safety, quality and productivity. Today, hundreds of brands in the automotive, aviation, space exploration, electronics, energy, battery and additive industries trust our technologies. We drive digital transformation through a broad portfolio of award-winning solutions in industrial radiography and computed tomography (CT), remote visual inspection (RVI), ultrasound (UT), and robotic inspection.
